Pilgrim Technology LLC - First Annual Michigan Diversification celebration.

Pilgrim Technology LLC has been named as one of three finalists in the small company (less than 50 employees) Homeland Security/Defense category as part of the First Annual Michigan Diversification Celebration. The event to be held on December 6th at the Capitol Rotunda is an opportunity for the Governor, Jim Epolito, our CEO, and Matt Cullen, our board chair, to recognize companies that have contributed to Michigan's diversification in the past year. "Pilgrim Technology is honored to receive this award and believes that it validates our business model and proves there is a sustainable business climate in Mid-Michigan" - commented Jim Pilgrim, CTO Pilgrim Technology LLC.

About Pilgrim Technology LLC

Pilgrim Technology LLC is a company that is dedicated to technology innovation and customer satisfaction. This dedication opens the doors to create a dynamic experience for employees and customers alike. Pilgrim Technology diversifies the technology business in numerous aspects, perhaps the largest being that Pilgrim Technology is a woman-owned small business. First opened in Midland, Michigan as a wireless technology solutions company, Pilgrim Technology LLC has

~ MORE ~

expanded to offer additional solutions to commercial entities and government agencies. Pilgrim Technology LLC offers complete solutions in Computer repair, IT solutions, Pre-paid IT Support cards, Rapid-Prototyping, Sensor and Optics Development, Advanced Network Designs, including contracted and on call IT services.
