## **PILGRIM TECHNOLOGY LLC - EXPANSION AWARD, MICHIGAN**

Pilgrim Technology LLC was presented with the "Expansion Award" from Midland Tomorrow today. Accompanying the award were proclamations from Congressman Dave Camp (R-MI), State Senator Tony Stamas (R-MI), State Representative John Moolenaar and State Representative Bill Caul (R-MI).

Midland Tomorrow Awards are given to businesses that have demonstrated significant financial and/or physical expansion of their operations and investment in the community, that have taken significant efforts to partner with other Midland organizations and individuals on shared ventures to develop our economy, or that have devoted their resources to developing new and exciting products and services in their fields.

"Pilgrim Technology is honored to receive this award and believes that this award and the companies growth can be attributed to the support we receive from Congress (Congressman Dave Camp (R-MI)) and from our local State elected officials." – commented Jill Pilgrim, CEO Pilgrim Technology LLC. "Our continued growth is an example of spirit, energy and drive. Pilgrim Technology has successful qualities which cannot be diminished regardless of the economic climate."

### About Pilgrim Technology LLC

Pilgrim Technology LLC is a company that is dedicated to technology innovation and customer satisfaction. This dedication opens the doors to create a dynamic experience for employees and customers alike. Formed in 2002, Pilgrim Technology is a woman-owned small business.

First opened in Midland, Michigan as a wireless technology solutions company, Pilgrim Technology LLC has expanded to offer additional solutions to commercial entities and government agencies. Pilgrim Technology LLC offers complete solutions in Rapid-Prototyping, Sensor and Optics Development, Rugged Mobile Devices, and Advanced Network Designs. Pilgrim Technology LLC has significantly expanded commercial services offerings to include Cisco Systems, Linksys, Fortress Technologies Inc., IBM (Lenovo), and Hewlett-Packard, including contracted and on call IT services. Pilgrim Technology is also the first company to begin service and sales for Disney Mobile in the Tri-County area. For more information contact
